SUBJECT: President's Foreign Intelligence Advisory
Board Report on International Banking and
Financial Problem (S)

Attached is a classified and sensitive report prepared by
the President's Foreign Intelligence Advisory Board (PFIAB),
entitled "Intelligence Implications of the International
Banking and Financial Problem." (S)

The subject matter of this report is so timely that I thought
I should share it with you for your information. PFIAB will
soon be sending formal recommendations on this topic to the
President by way of their semi-annual report. However, you
may wish to give early consideration to some of these issues
and begin planning for possible implementation in the areas
that affect you. (C)

I would appreciate your using this report on a close-hold
basis. (U)

William P. Clark
